For all Personal Decor items (Bouquets, Wearables, Tossing Petals, etc. arranged by Old Friends Farm), please note color choices or other preferences by each item. If you wish to, feel free to attach or email photos of things you like/don't like, and we will use them as a guide.

By submitting your \$100 non-refundable deposit, and your subsequent flower order, you are agreeing to the Terms and Conditions. We accept cash, check or credit card.

Terms and Conditions: Priority is given to flowers that are grown on Old Friends Farm, and those from other local growers. Some regional ordering may be necessary in fringe times or if you specified a color palette or variety of flower unavailable locally at the given time. Old Friends Farm is not responsible for any damage to flowers once the flowers are picked up by your party or delivered by Old Friends Farm. Please allow ample space and level surface for transporting your flower order, and store them in a cool place, out of direct sunlight until the event. We do not set certain stem amounts per bulk bucket, nor do we guarantee certain flowers will be included. An estimated availability list is on our website as a guideline only. For Personal Decor Items, we will reference photo examples you provide as a guide for the style/feel that you are looking for, but will not arrange 'cookie-cutter' style from other people's designs. If you are looking for exact replicas of an image, we suggest looking for a different designer.
