ADORNING YOUR EVENT

We look forward to growing and selecting flowers to accent your wedding day or special event. Our flowers are special to us, and sharing their beauty with you adds to the glory of growing them. Please view our website to learn more about the flowers we grow, our farm philosophy, to see photos of previous special event decor, and read testimonials about our flowers.

The order form for special event flowers is located on the Events link.

All Old Friends Farm arrangements are made with a creative seasonal approach. Color preference and flower likes and dislikes are regarded, but we will not do carbon copies of magazine images. Each arrangement is its own art form. We do not offer full-service wedding flower consulting. We are the best fit for people who can trust the fantastic testimonials of our clients, find beauty in the natural world and where creativity meets seasonality, and those who trust the integrity of our farm to provide flowers for their event.

Please note: During our growing season, we arrange primarily with seasonal flowers from our Certified Organic farm. For orders that are outside of our growing season, or for additional flowers we do not grow, we purchase from other local growers and a floral wholesaler, which may mean they are not Organically grown. Fortunately, due to a growing demand for alternatively grown flowers, there often are more options, and we try our best to purchase from those farms.

A \$100 non-refundable deposit is needed to save the date. This \$100 is applied to your payment. Your total (less your deposit) is due one month following your event date.

After 30 days, interest is charged on any late payments.

Please contact us before sending a deposit so we can assure that your date is available.
